HOBBY PAGE

This hand-drawn wireframe sketch illustrates a mobile application interface for a 'Hobby Page'. The layout consists of two main sections: a top section and a bottom section.

Top Section: This section features a header bar at the very top. Below the header, there is a large rectangular area containing placeholder text: 'Lorem ipsum dolor sit amet, consectetur adipiscing elit. Sed nec tincidunt odio.' To the right of this text area is a large square graphic divided into four quadrants by a diagonal line. To the left of the text area is a small rectangular button with a play icon (a triangle inside a circle). On the far right side of the top section are three small circular icons with symbols: a plus sign, a person, and a square.

Bottom Section: This section also has a header bar. It contains a logo icon on the left, followed by copyright information: 'Copyright © 2023 Rediet All rights reserved.' To the right of this information is a column for contact details: 'Address', 'Email', 'Phone No.', and 'Location'. The bottom section also includes a large rectangular area with placeholder text: 'Lorem ipsum dolor sit amet, consectetur adipiscing elit. Sed nec tincidunt odio.' A small rectangular button with a play icon is located below this text area.

Tour PAGE

This hand-drawn wireframe sketch illustrates a mobile application interface for a 'Tour Page'. The layout follows a similar structure to the Hobby Page, with a top section and a bottom section.

Top Section: This section includes a header bar. Below the header, there are two large square graphic areas, each divided into four quadrants by a diagonal line. A small rectangular button with a play icon is positioned between these two graphics.

Bottom Section: This section includes a header bar. It contains a logo icon on the left, followed by copyright information: 'Copyright © 2023 Rediet All rights reserved.' To the right of this information is a column for contact details: 'Address', 'Email', 'Phone No.', and 'Location'. The bottom section also includes a large rectangular area with placeholder text: 'Lorem ipsum dolor sit amet, consectetur adipiscing elit. Sed nec tincidunt odio.' A small rectangular button with a play icon is located below this text area.
